Park Forest Historical Society is an independent 501 (c) (3) corporation. Your donation is tax-deductible to the extent allowed by law.

Who we are:

The Park Forest Historical Society was founded in 1985, and became an independent 501 (c) (3) corporation in 1989. Its mission was to support the Local History Collection and Archive of the Park Forest Public Library, which had been started by the Reference Staff in 1981. In 1998, the Society helped form the 50th Anniversary House Museum at 397 Forest Blvd. In January 2007, the Archive was moved to remote storage by the library. In the same month, the museum changed its name to 1950s Park Forest House Museum. In May 2007, the museum at 395-397 Forest Blvd lost its lease and was put into storage. In October 2007, Central Park Townhomes and AIMCO offered the museum a unit at 141 Forest Blvd, allowing the Society to pull the basic house museum out of storage. As of May 2015, the museum is at St. Mary's Catholic Church. In January 2012, the Archive and our office moved into St. Mary's, 227 Monee Road. The Local History Collection is now available in the Museum. The photograph collection is in the Archive. At present, the Society is seeking a permanent home for the museum, the archival collection, office and the digital computer lab.
